Electronic resources such as e-journals and e-databases are made available by the Central Library, IIT Bhilai solely for academic use including for teaching and for research purpose.

- These resources can be searched, browsed and material may be downloaded and printed as single copies of articles as is done in the case of printed library material. - Use of robots, spiders or intelligent agents to access, search and/or systematically download from these resources is also prohibited. Any violation of this policy will result in penal action as per the rules and regulations of the Institute.
