Welcome and Announcements: The Secretary welcomed the Chairman, Prof. Rajiv Prakash, to the 25th Senate meeting of the Institute.

At the onset, the Chairman welcomed all members to the 25th meeting of the Senate and introduced all the new members and special invitees to the Senate. He thanked all the outgoing members and acknowledged their valuable contributions. He then made the following announcements:

1. The institute's 3rd and 4th convocation is scheduled on October 26, 2024, and the Hon'ble President of India, Smt. Droupadi Murmu will be the chief guest of the event. He cordially invited all the members and special invitees of the Senate to grace the institute's 3rd and 4th joint convocation.

2. Dr. Ramasamy Mayilmurugan and Dr. Vijay S. Duryodhan were appointed Associate Head, Dept. of Chemistry and Mechanical Engineering, respectively, and they shall be invited members of the Senate. The valuable contributions of Dr. Sanjib Banerjee and Dr. Soumya Gangopadhyay as Associate Head, Dept. of Chemistry and Mechanical Engineering, respectively, were acknowledged.

3. Dr. Mahavir Sharma was appointed Associate Faculty-in-Charge, DoSA, and shall be an invitee member of the Senate. The valuable contributions of Dr. Purnendu Das as Associate Faculty-in-Charge, DoSA, were acknowledged.

4. Dr. Pravesh Chandra Shukla and Dr. Nithin have taken over the responsibility of DUGC Convener of the Department of Mechanical Engineering and Materials Science and Metallurgical Engineering, respectively, and they shall be invited members of the Senate. The valuable contributions of Dr. Nagesh D Patil and Dr. Purnendu Das as DUGC Convener of the Department of Mechanical Engineering and Materials Science and Metallurgical Engineering, respectively, were acknowledged.

5. Dr. Purnendu Das has taken over the responsibility of DPGC Convener of the Department of Mechatronics Engineering, and he shall be an invited member of the Senate. The valuable contributions of Dr. Kaushik Bandyopadhyay as DPGC Convener of the Department of Mechatronics Engineering were acknowledged

The chairman then requested the Secretary to proceed with the agenda items.

Item No 25. 1: To confirm the minutes of the 24th meeting of the Senate held on June 28, 2024 (40024/28062024).

The minutes of the 24th meeting of the Senate held on June 28, 2024 (40024/28062024) were circulated to all members of the Senate on July 12, 2024. No comment was received on the circulated minutes. Comments were then invited on the floor.

It was stated that the agenda item about the list of awardees for the year 2024 was presented as any other item with the permission of the Chairman, and it was recommended that the agenda item be placed before the BoG. However, the item was inadvertently not included in the circulated minutes.

*The Senate suggested including the item about the list of awardees for the year 2024 in the minutes and confirmed the minutes with the said minor modifications (**Annexure 1**).*

Item No 25. 2: **To note the action taken report of the 24th meeting of the Senate.**

The Secretary presented a report on the actions taken for the items deliberated in the 24th meeting of the Senate.

The Senate noted the action taken report.

Item No 25. 3: **To apprise and consider the students' program completion.**

Faculty-in-Charge, DoAA presented the following list of students (03 students in BTech, 01 students in MTech, and 03 students in PhD) who completed their respective credit requirements for the degree award after the 24th Meeting of the Senate held on June 28, 2024.

BTech:

After deliberation, the Senate approved the proposal to terminate the program of the above-mentioned students.

Item No 25. 5: **To consider the academic calendar for the year 2025.**

Faculty-in-Charge, DoAA, presented the academic calendar for the year 2025.

*After deliberation, the Senate, with minor modifications in the dates of the mid-semester break, approved the academic calendar for the year 2025 (**Annexure 2**). Further, the Senate recommended waiving the late registration fine for the students who opted for internships and reported for registration after the registration date but within the registration period.*

Item No 25. 6:   To apprise the admission report of the 2024-25-M semester.

Faculty-in-Charge, DoAA, presented the admission report for the 2024-25-M semester (**Annexure 3**).

After deliberation, the Senate noted the 2024-25-M semester admission report. Further, the Senate suggested that the departments should increase the outreach activities. Also, the Senate suggested that the department should consider the feedback/suggestions of their students to improve the satisfaction level of the programs offered.

Item No 25. 7:   To apprise the academic report for the 2023-24-W and 2023-24-S semester.

Faculty-in-Charge, DoAA, presented the academic report for the 2023-24-W and 2023-24-S semester (**Annexure 4**).

After deliberation, the Senate noted the same.

Item No 25. 8:   To consider the six-month internship policy for the BTech program.

Faculty-in-Charge, DoAA, presented the six-month internship policy for the BTech program, as recommended by the IUGC.

*After deliberation, the Senate, with minor modifications in the evaluation process, approved the said proposal (**Annexure 5**). Also, the Senate suggested the departments relook their curriculum to successfully implement the internship policy.*

Item No 25. 9:   To consider the exit policy for the students admitted to the Institute.

Faculty-in-Charge, DoAA, presented the exit policy for the students admitted to various programs offered by the Institute, as recommended by the IUGC and IPGC.

*After deliberation, the Senate approved the exit policy with minor modifications to the proposed policy (**Annexure 6**).*

Item No 25. 10: To consider revising the Minimum Eligibility Qualification (MEQ) for MTech and PhD program admissions.

Faculty-in-Charge, DoAA presented a proposal to include BSc (4 years) degree and equivalency of online/executive degree in the Minimum Eligibility Qualification (MEQ) for admission to MTech and PhD program, as recommended by the IPGC (**Annexure 7**).

After deliberation, the Senate approved the revised Minimum Eligibility Qualification (MEQ) for admission to MTech and PhD programs.

Item No 25. 11: To consider the request of Mr. Vaibhav Khatri (B24DS035), a BTech student in the discipline of DSAI, for two consecutive semesters drop.

Faculty-in-Charge, DoAA presented the proposal to allow Mr. Vaibhav Khatri (B24DS035), a BTech student in the discipline of DSAI, for two consecutive semesters drop under medical grounds as recommended by the IUGC (**Annexure 8**).

After deliberation, the Senate approved the semester drop request of Mr. Vaibhav Khatri (B24DS035) for the 2024-25-M and 2024-25-W semesters.

Item No 25. 12: To ratify the items approved by the Chairman, Senate.

The following items, approved by the Chairman Senate, are placed for the Senate's ratification.

A. Seat matrix and reservation roster for admission to MSc program for the session starting from 2025-26-M semester.
B. Revised curriculum of BTech program in Mechatronics Engineering for the students admitted in 2022-23-M semester.
C. Discipline change for academic year 2024-25.
D. Approval was given to Penti Ruchitha (ID Number: 11940820), a BTech student in the Department of Mechanical Engineering, to continue the program through online mode.
E. Conversion of the program from BTech to BTech (Honours) for the AY 2024-25.
F. Program Termination of Mr. Ranjan Mandal (12310910), an MTech student in the Department of Computer Science and Engineering.
G. Approval was given for one semester drop to Ms. Ankita Mishra (12210550), a PhD scholar in the Department of Mechanical Engineering.

H. Termination of Program of Mr. Mohammed Ahmed Valli (12310170), a PhD scholar in the Department of Electrical Engineering.

I. Approval was given for a one-semester drop to Ms. Sayani Ghosh (12311030), an MTech student in the discipline of DSAI, for joining a job.

J. Approval was given to Chella Sudeep (12140510), a BTech student in the discipline of DSAI, for 10 days of medical leave.

K. Permission was given to Mr. Kaushal Kumar, an MTech student in the Department of Mechanical Engineering, to overload three credits in the 2024-25-M semester.

L. Permission was given to Ms. Nikky Chandrakar, a PhD scholar in the Department of Physics, for a One-year DAAD fellowship program at the University of Konstanz, Germany.

The Senate ratified all the above items.

Item No 25. 13: Any other item, with the permission of the chair.

A. **To consider the proposal to offer online BS and Certification programs.**

Faculty-in-Charge, DoAA, proposed that the institute may explore offering online Bachelor of Science and Certification programs in collaboration with the support of third parties like the currently ongoing online eMasters programs. Also, he informed us that a few third-party companies, like PW, Teamlease, and TCS Ion, have shown their interest in collaborating with our institute to offer such online courses.

After deliberation, the senate suggested offering online Bachelor of Science and Certificate courses with existing resources or collaborating with third-party companies.

As there was no other matter, the meeting ended with a vote of thanks to the chair.

I. Revised curriculum of MTech program in Electronics & Communication Engineering.

J. Detailed course curriculum of BTech program in the department of Electronics and Communication Engineering.

K. Seeking permission to register for thesis in 2023-24-S semester.

L. Permission given to Ms. Monika Srivastava (12010030) and Ms. Deepanwita Dey (12210050), PhD students in the department of Liberal Arts to complete the registration for 2024-25-M semester on July 30, 2024 without paying the late registration fine and via online mode on July 29, 2024 respectively as they were granted academic leave to attend international conferences.

M. Academic leave granted to Ms. Smriti Sonkar (12311050), an MTech student in the discipline of Bioengineering to work in the lab of Dr. Hitendra Kumar, Assistant Professor, IIT Indore for a duration of 49 days from May 31, 2024, to July 18, 2024.

The senate ratified all the above items.

Item No 24. 10: To consider and approve the establishment of the Centre for Culture, Language, and Development Studies at IIT Bhilai.

Associate Head, LA presented the following proposal for establishing a Centre for Culture, Language, and Development Studies at IIT Bhilai.

Indian society and culture have a wealth of oral history, linguistic diversity, cultural pluralism, ecological wisdom, and collective memory. Considering this, the Department of Liberal Arts at IIT Bhilai proposes establishing a Centre for Culture, Language, and Development Studies. The Centre will aspire to position IIT Bhilai as a leading global center for excellence in research on pertinent issues of topical relevance to society.

It is envisaged that all personnel costs of the center will be met through third-party funding. This includes salaries/ honoraria for non-teaching staff appointed as project assistants/ associates and teaching staff appointed as visiting professors/ research fellows. The center will be housed in the Department of Liberal Arts building as proposed in Stage B, Phase 1 of the campus construction project. The Centre will require office space and cabins for visiting faculty and research fellows. The financial outflow from the institute will only be towards supporting essential office equipment and furniture for the center in the form of desktops, office tables, etc.

After deliberation, the Senate approved the proposal for establishing a Centre for Culture, Language, and Development Studies at IIT Bhilai and recommended to place it before the Board for consideration.

Item No 24. 11: Any other item, with the permission of chair.

A.To consider the attendance policy for the students.

Faculty-in-Charge, DoAA, apprised that there is a need to maintain attendance of the PG students at the department level as several cases related to unauthorized leave were brought to the notice. Therefore, he requested that an institute-level attendance policy for the students be formulated.

After deliberation, the Senate noted the same and reiterated that attendance is mandatory for all students and methodology for monitoring the same will be formulated after deliberation with various institute authorities.

B. To consider list of students proposed for the institute award.

Faculty-in-Charge, DoAA presented the list of students proposed for the institute award:

a. Institute's Gold Medal for BTech: Mr. Nomaan Alam Kherani (ID Number: 12041010).
b. Director's Gold Medal for BTech: Mr. Yash Teckchandani (ID Number: 12041770)

Six-Months Internship Policy

As part of a holistic education, NEP 2020 envisages students at all HEIs will be provided with opportunities for internships with local industry, businesses, artists, crafts persons, etc., as well as research internships with faculty and researchers at their own or other HEIs/research institutions, so that students may actively engage with the practical side of their learning and, as a by-product, further improve their employability. Although BTech students are allowed for internship work during their inter semester break, i.e., summer or winter break, they are unable to go for a full semester internship as the current BTech curriculum does not have any provision for that. Therefore, it is being proposed to allow all interested BTech students to opt for a six-month or full-semester internship in their 7th or 8th semester. In this regard, a policy is proposed as follows.

Policy:

i.   An internship is not mandatory and is purely an optional provision for BTech students.
ii. BTech students with a CGPA ≥ 7 with no active backlogs be allowed a semester-long/six-month internship (internship duration should be at least four months and not more than six months) in their 7th or 8th Semester.
iii. The student should not have taken any MOOC-based courses before opting for an internship.
iv. Students should intimate their department about their willingness to take the internships before the start of the 7th semester.
v.   The Internship shall be open to Government research laboratories, reputed industries, and academia (in an IIT only).

Credit Distribution:

Details	Old curriculum (till 2022)	New curriculum (2023 onwards)
Credits can be earned during the internship	i. For the internship work shall be awarded 12 credits (Equivalent to 2 full semester courses) ii. Shall take two full semester MOOC-based courses equivalent to 12 credits from NPTEL.	i. For the internship work shall be awarded 6 credits (Equivalent to 2 full semester courses). ii. Shall take two full semester MOOC-based courses equivalent to 6 credits from NPTEL.
Opting for internship in 7th Semester	i. Must have completed the nominal credit load till 6th semester with no active backlog.	i. Must have completed the nominal credit load till 6th semester with no active backlog.

	ii. Nominal credit load in the 8th Semester shall be 36 credits.	ii. Nominal credit load in the 8th Semester shall be 21 credits.
Opting for internship in 8th Semester	i. Must have completed the nominal credit load till the 7th semester with no active backlog, preferably an additional 6 credits, i.e. 216 credits, by the end of the 7th semester. ii. If a student is unable to fulfill the program requirements with an internship load, he/she will have to complete the same in the next summer/ monsoon semester.	i. Must have completed the nominal credit load till the 7th semester with no active backlog, preferably should have completed 132 credits, by the end of the 7th semester. ii. If a student is unable to fulfill the credit requirements with an internship load, he/she will have to complete the same in the next summer/ monsoon semester.

Committee: There should be a committee in the department that will make decisions regarding internships. It should consist of at least 3 faculty members, with one faculty member from outside the department. This committee shall evaluate the internship work and grade with a letter grade as applicable for the BTech thesis. A minimum of one evaluation by the Departmental Committee is mandatory.

Curriculum: All the Departments have to relook at their BTech curriculum and suggest revisions in order to implement the above policy.

Eligibility criteria for MTech admissions

A.   **Applicants must have ONE of the following in appropriate subject areas.**

1. Bachelor's degree in Engineering/Technology with first class, 60% marks(55% marks for SC/ST)or equivalent.
2. Master's degree in science or equivalent degree, with first class, 60% marks (55% marks for SC/ST)or equivalent.
3. Bachelor's degree in science (4 years) with first class, 60% marks (55% marks for SC/ST) or equivalent.
4. #B.Pharma (with 4 years), with first class, 60% marks (55% marks for SC/ST)or equivalent.
5. #M.B.B.S or B.D.S or related degree(with at least 4 years), with first class, 60% marks (55% marks for SC/ST)or equivalent.
   # represents the eligibility for MTech in Bioengineering.

Equivalency of eligibility degree obtained through online/executive program with regular (offline) degree will be assessed based on the course and thesis credit completed during the program"

B.   **Applicants must also fulfill ONE of the following additional requirements.**
1. Valid GATE Score/GPAT Score (refer Table 1 for Discipline specific criteria).
2. CPI/CGPA of 8.0 in BTech, if done from an IIT.
An ongoing degree may also be considered as a qualifying degree provided the applicant completes all graduation requirements before the MTech program starts.

Eligibility criteria for PhD admission

A.   **Applicants must have ONE of the following in appropriate subject areas.**

1. Master's degree in engineering/Technology with first class, 60% marks (55% marks for SC/ST) or equivalent.
2. Bachelor's degree in engineering/Technology with first class, 60% marks (55% marks for SC/ST) or equivalent.
3. Master's degree in science, arts, social sciences with first class 60% marks (55% marks for SC/ST) or equivalent.
4. Bachelor's degree in science (4 years) with first class, 60% marks (55% marks for SC/ST) or equivalent
5. #M.Pharm with first class, 60% marks (55% marks for SC/ST) or equivalent.
6. #M.B.B.S or B.D.S with first class, 60% marks (55% marks for SC/ST) or equivalent.

Equivalency of eligibility degree obtained through online/executive program with regular (offline) degree will be assessed based on the course and thesis credit completed during the program"

B.   **Applicants must also fulfil ONE of the following additional requirements.**

1. Valid GATE/GPAT# Score (Also refer to Table 1 below for department/discipline-specific criteria).
2. Junior Research Fellowship (JRF) of CSIR/ UGC/ NBHM/ DBT/ ICAR/ ICMR/ ICPR/DAE or DST INSPIRE Fellowship (Also refer to Table 1 below for department/discipline-specific criteria).
3. Minimum of 2 years of relevant professional experience. The experience gained while acquiring a master's degree in engineering/Technology or experience acquired after obtaining the qualifying degree and completing it before the start of the semester in which admission is sought may be considered professional experience.

(a) BTech from IIT with a CPI/CGPA of 8.0 or more.

(b) #NEET-PG, NEET-AIIMS (INI-CET), NEET-MDS scores as applicable.

Applicable for admission to PhD program in Bioscience and Biomedical Engineering only.

An ongoing degree may also be considered as a qualifying degree provided the applicant graduates before the PhD program starts.

onset, the Chairman welcomed all the members present in the meeting and introduced and welcomed Dr. Pravesh Chandra Shukla and Dr. Nithin B, the new DUGC convener of ME and MSME, respectively. He acknowledged the valuable contributions made by Dr. Nagesh D Patil and Dr. Purnendu Das as DUGC convener of ME and MSME, respectively. Then, the agenda items were taken up for discussion.

1. **To ratify the minutes of the IUGC meeting held on July 16, 2024.**

   The minutes were circulated to the committee members via email. No comments were received. In addition, comments were invited on the floor, if any.

   Resolution:

   In the absence of any comment, the circulated minutes were ratified.

2. **To consider the request of Mr. Vaibhav Khatri (B24DS035), a BTech student in the discipline of DSAI, regarding the two-semester drop on medical grounds.**

   The request of Mr. Vaibhav Khatri (B24DS035), a BTech student in the discipline of DSAI, regarding the two-semester drop on medical grounds was presented (**Annexure 1**).

   Resolution:

   After deliberation, the committee recommended to place the two-semester drop request of Mr. Vaibhav Khatri (B24DS035) on medical grounds before the Chairman Senate for his consideration.

3. **To consider the request of Mr. Ravinder Sharma (12141370), a BTech student in the discipline of CSE, regarding a 6-month internship at Amazon.**

   The request of Mr. Ravinder Sharma (12141370), a BTech student in the discipline of CSE, regarding a 6-month internship at Amazon was presented (**Annexure 2**).

   Resolution:

   After deliberation, the committee did not consider Mr. Ravinder Sharma's request regarding a 6-month internship at Amazon in the absence of a positive recommendation from the department and the provision of a semester-long internship in the BTech curriculum.

4. **To discuss the policy regarding limiting the number of students in a course.**

   It was informed that currently the institute does not have any policy to restrict the registration count for an elective course. Also, it was noted that in the current semester, logistically, it is getting difficult to handle a few elective courses where registration counts have crossed 300. Further, it was informed that the registration counts for elective courses with lab components need to be restricted to ensure proper teaching methodology.

Test Report

Test Name	Results	Units	Bio. Ref. Interval
LIVER PANEL 1; LFT,SERUM (Spectrophotometry)			
AST (SGOT)	**1920.9**	U/L	<40
Result Rechecked, Please Correlate Clinically.			
ALT (SGPT)	**2495.0**	U/L	<41
AST:ALT Ratio	0.77		<1.00
GGTP	**78.9**	U/L	<71.00
Alkaline Phosphatase (ALP)	158.63	U/L	<381
Bilirubin Total	**3.95**	mg/dL	0.30 - 1.20
Bilirubin Direct	**3.42**	mg/dL	<0.30
Bilirubin Indirect	0.52	mg/dL	<1.10
Total Protein	6.53	g/dL	6.40 - 8.30
Albumin	4.04	g/dL	3.50 - 5.20
A : G Ratio	1.63		0.90 - 2.00

Note

1. In an asymptomatic patient, Non alcoholic fatty liver disease (NAFLD) is the most common cause of increased AST, ALT levels. NAFLD is considered as hepatic manifestation of metabolic syndrome.
2. In most type of liver disease, ALT activity is higher than that of AST; exception may be seen in Alcoholic Hepatitis, Hepatic Cirrhosis, and Liver neoplasia. In a patient with Chronic liver disease, AST:ALT ratio>1 is highly suggestive of advanced liver fibrosis.
3. In known cases of Chronic Liver disease due to Viral Hepatitis B & C, Alcoholic liver disease or NAFLD, Enhanced liver fibrosis (ELF) test may be used to evaluate liver fibrosis.
4. In a patient with Chronic Liver disease, AFP and Des-gamma carboxyprothrombin (DCP)/PIVKA II can be used to assess risk for development of Hepatocellular Carcinoma.

Basophils	0.01	thou/mm3	0.02 - 0.10
Platelet Count	125	thou/mm3	150.00 - 410.00
Giant platelets seen			
Mean Platelet Volume	9.8	fL	6.5 - 12.0

Comment

In anaemic conditions Mentzer index is used to differentiate Iron Deficiency Anaemia from Beta- Thalassemia trait. If Mentzer Index value is >13, there is probability of Iron Deficiency Anaemia. A value <13 indicates likelihood of Beta- Thalassemia trait and Hb HPLC is advised to rule out the Thalassemia trait.

Note

1. As per the recommendation of International council for Standardization in Hematology, the differential leucocyte counts are additionally being reported as absolute numbers of each cell in per unit volume of blood
2. Test conducted on EDTA whole blood
